

## REMARKS

### Summary

This preliminary amendment accompanies the submission of a reissue application of US Patent 6,349,670, issued February 26, 2002. New Claims 13-23 are introduced, at least one of which constitutes a broadening claim. No new matter has been introduced. Claim 5 is amended to correct a typographical error, which was the subject of a Request for Certificate of Correction, filed June 10, 2002 (attached hereto). Table 1 provides the correspondence between the new claim numbers and at least one portion of the specification which supports each of them.
